Hello Providers,

As important partners of the Muskingum County Board of DD, we wanted to provide you with information we have shared with our staff and invite you to a meeting with the Zanesville-Muskingum County Health Department on March 18th from 1pm – 2pm at our Community Services Building – 1401 Bussemer Lane, Zanesville. We will also have a link to log in from your computer if you would rather use that option. I will be sending that link out in the next few days.

As providers in the community, we know that you are taking the steps you feel appropriate for your organization, your staff, and the people you support. The following items of importance are being shared with our staff:

- Services to individuals with developmental disabilities and providers should remain as normal as possible. Service Coordinators should still meet with individuals to maintain normal operations
- Call ahead of any home visit to check if anyone in the home is experiencing flu-like symptoms.
- Reschedule meetings with a person(s) who appears to be ill
- Asking a person to wash their hands and/or use hand sanitizer is appropriate
- Staff should utilize conference calls and video technology whenever possible in place of large in-person meetings/gatherings
- If conference call/video technology is not an option, large meetings/gatherings should be postponed. MCBDD staff will not attend most large-scale meetings and gatherings at this time.

We will share additional updates when available.

Thank you for your continued efforts to provide services to individuals with developmental disabilities in Muskingum County.

Jordon Searls

Director of Administrative Services

Working in partnership with individuals with developmental disabilities and their families
Providing opportunities utilizing public and private supports to live, learn, work, and play in the community.

An Equal Opportunity Employer and Provider Of Services
