## What is the Reputation?

- 1. Are there ever circumstances where this can be positive? If yes, what is it called?**
- 2. Does the “behavior” demonstrate or reflect something that is important to the person?**
- 3. If the “behavior” truly is negative, what is the support strategy?**

**Then ask . . .**

**Given what we’ve learned:**

- 1. Are there things that are present in the person’s life that need to change? (i.e. How the person lives; what the person is asked to do; who the person lives with?)**
- 2. Are there things that we need to be doing differently? (i.e. How is the person supported?)**
